Amy,
FYI. Package for Ted's 120 days as a reemployed annuitant is in with Jim Kurth but not yet signed.

Jessie Cheek will be going over Thursday for another meeting and has promised to check on it then, if it is not signed yet.

Didn't know if you wanted to call Jim to see if he will sign it before Thursday just so we can let Ted know soonest.

Monica,
Just checked with Jessie - not signed yet, but the package is with Jim.

I am out Thursday and Friday - if we don't hear by Wed COB that is it signed, Jessie has a meeting with Jim on Thursday and will specifically ask to get that signed. If we don't have it signed before then, can you check with Jessie on Thursday to see if it got signed?

Thanks,
Anne

Thank you! I hope a rehire actually works out.

My last day here will be this Wednesday. If anyone hears anything by then, would you please let me know? Otherwise my personal cell is: b6 and email is: b6.

Thanks,

Ted

Hi Ted,

Gerry just came down the hall to see me. He will ensure that your AD account remains active and I'll ensure that your access card does not get terminated, to make for an easier transition.

Anne and Monica-

Thank you for your help trying to process paperwork to get me rehired. I hope it works. Please let me know if you have any clue of the likelihood of success.

Assuming I get rehired, is it possible to avoid losing my presence as a FWS employee between retirement and rehire? For example, I'd like to keep my "Ted_Koch@fws.gov" email address, and not risk it changing to my official first name "Edward." I'd also like to avoid a lengthy period of regaining access to systems.

If I'm worrying about nothing, please say so!

Thanks,

Ted
